

# Eye test

On each eye test chart, there are the letters of two words.  
With the help of the pictures, find the words and write them on the backs of the chairs.

1

C  
HO  
V LA  
L INOL

2

A  
RE  
S DN  
I RVIL

3

S  
UI  
E T M A  
D R N N O E T

4

L  
EH  
A Y V  
L B A E C

5

N  
OE  
S R F  
O C T E A

6

F  
KT  
R LEW  
L A A L E A

## Which Medicine?

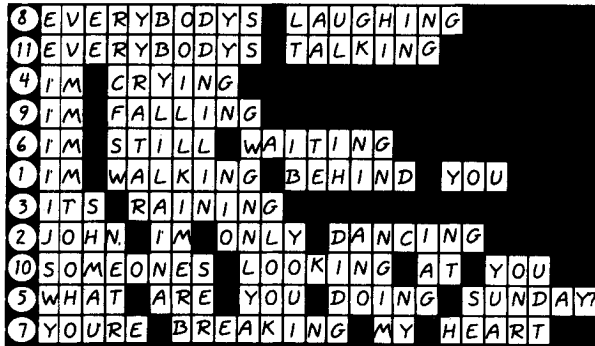

Page 20

- A has got a HEADACHE, so Number 4 is the best medicine.
- B has got a COLD, so Number 6 is the best medicine.
- C has got a TOOTHACHE, so Number 1 is the best medicine.
- D has got a STOMACHACHE, so Number 3 is the best medicine.
- E has got a COUGH, so Number 5 is the best medicine.
- F has got a BACKACHE, so Number 2 is the best medicine.

Remember: it is also possible to say 'toothache', 'stomachache' and 'backache' without 'a' ('I've got toothache', etc.).

## Song Titles

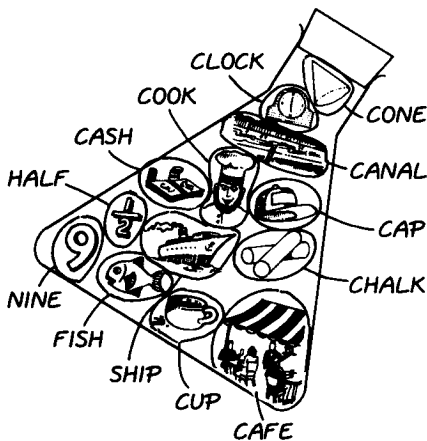

Page 21

Remember: the *-ing* form of 'dance' is 'dancing' (not 'dancing').  
The song about the future is 'What are you doing Sunday?' (You can also say 'What are you doing on Sunday?')

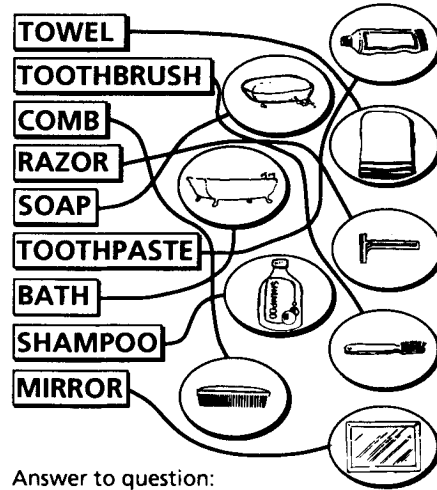

## A Chemical Code

## Bottom Half Only

Page 23

Answer to question:

**BATHROOM**

## Crossword in Two Parts

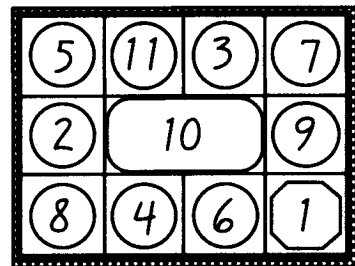

Page 24

All the words include the letters TH. In the first part of the crossword, the pronunciation is 'soft', /θ/; in the second part of the crossword, the pronunciation is 'hard', /ð/.
