

In this game, you have to make words on a board - like a crossword.

You can make more than one word at the same time.  
Here's an example:

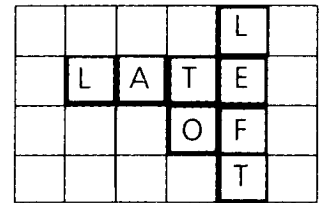

If these words are already on the board:

you can add these letters:

and make *two* new words at the same time (*LEFT* and *OF*):

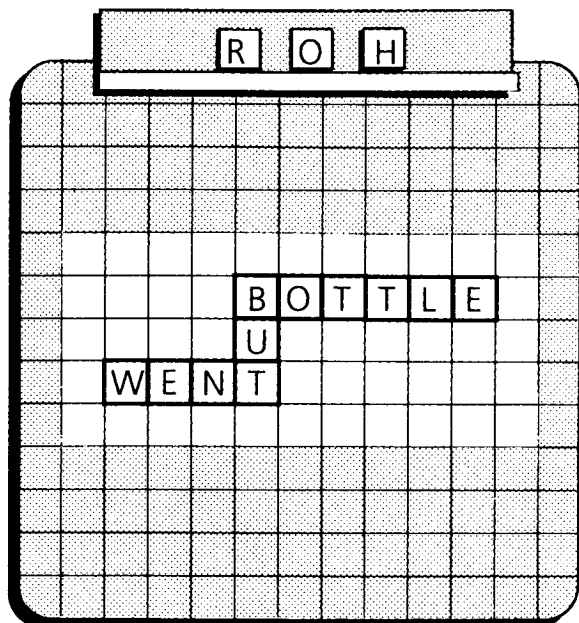

Try the two puzzles below.

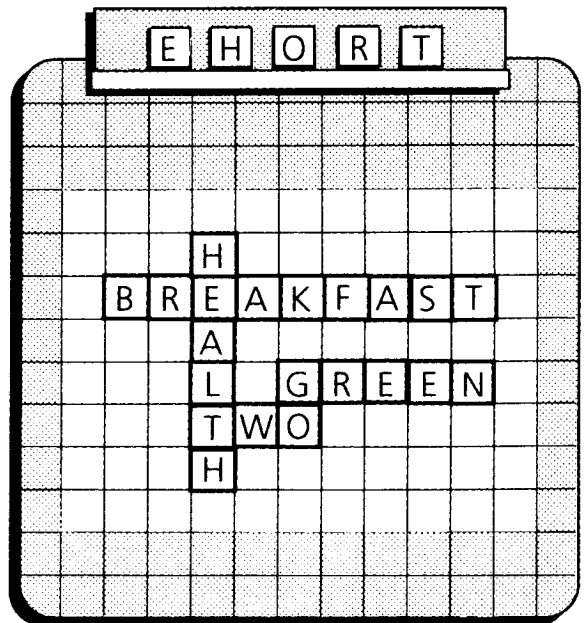

REMEMBER:

When you put your letters on the board, you have to put them all in one line of squares. ( It can be a horizontal line or a vertical line.)

Can you put these three letters on the board, to make *four* new words?

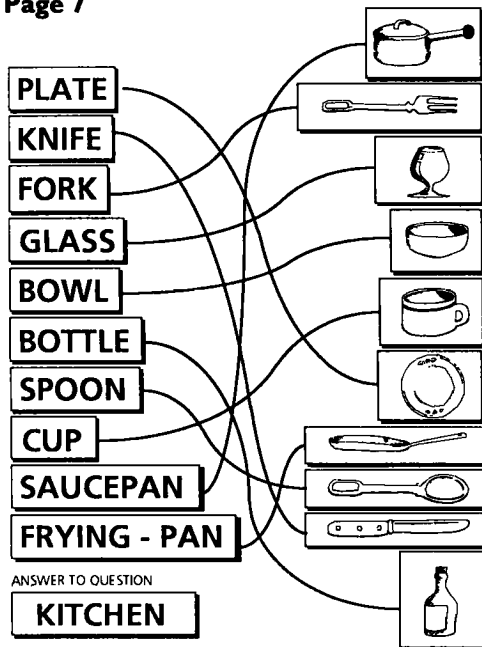

And can you put these five letters on the board, to make *five* new words?
