

Young Designer of the Year

Join this fabulous competition and see your design in the shops next year!!!

Last year's winner was the **Dream bath** which included features such as the automatic back-scrubber, built-in Jacuzzi, a reading lamp and book rest, inflatable head pillow and many more... The lucky winner was Arun from Dakar. Well done, Arun!

This year we invite you to design **the dream car**

Draw your sketch below and be sure to label all the special features. If you win, you must be prepared to be interviewed by local TV journalists on their Dream Designer programme.
