Vocabulary

ball, banana, bee, butterfly

If this vocabulary is new to your learners, it will require pre-teaching. You may like to use onestopenglish flashcards to pre-teach these words. Alternatively, you could use magazine pictures, draw the items on the board or, where possible, use realia.

Procedure

- Start by telling the children that they are going to learn about the letter *B*.
- Say *B* (as it is said in the alphabet) and then say *b* (as it is said in *banana*). Ask the children to repeat each time.
- If you are using the flashcards, you might like to either hold up the character flashcard for *Bobby Banana* or stick it up on the board where the children can see it. Say the name *Bobby Banana* and ask the children to repeat.
- Play the podcast for *B* and ask the children to listen carefully.
