Vocabulary

walrus, witch

If this vocabulary is new to your learners, it will require pre-teaching. You may like to use onestopenglish flashcards to pre-teach these words. Alternatively, you could use magazine pictures, draw the items on the board or, where possible, use realia.

Procedure

- Start by telling the children that they are going to learn about the letter *W*.
- Say *W* (as it is said in the alphabet) and then say *w* (as it is said in *watermelon*). Ask the children to repeat each time.
- If you are using the flashcards, you might like to either hold up the character flashcard for Walter Watermelon or stick it up on the board where the children can see it. Say the name *Walter Watermelon* and ask the children to repeat.
- Play the podcast for *W* and ask the children to listen carefully.
