## Miller's Pet World

Are you looking for a pet? Dogs are certainly the best choice. First of all, dogs are really cute. Dogs are also really **smart**. According to animal expert, Professor Stanley Coren, they can learn 165 words. This is the same as a two-year-old human! Because of this, dogs can understand a lot about the human world. People can communicate well with dogs.

Another reason to love dogs is because some of them work hard. Dogs can help people like farmers, police officers, and doctors to do their jobs. Best of all, dogs are really fun!

If you want a new best friend, come to Miller's Pet World and find your dog today!

Could this be YOUR new best friend?
