

Timelines—Elementary

Let's discuss

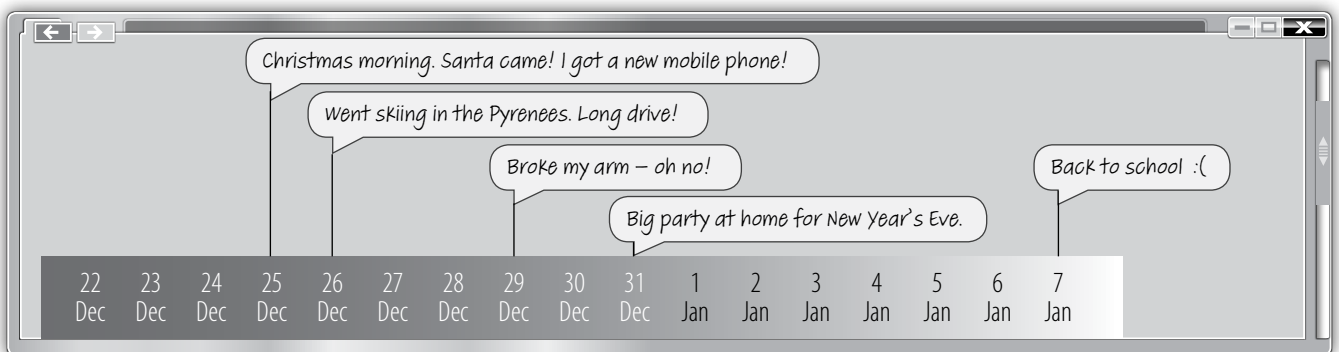

A Read the text and answer the questions.

Timelines are a useful tool for showing a series of events in order. You can use a timeline to talk about a famous person's biography or even your family and friends' lives! In fact, any series of events can be easily visualized using a timeline. As well as being very creative, timelines drawn online are a fantastic way to share your information with others.

1. What are timelines for?
2. Why timelines are a fantastic tool?

Let's analyse

B Look at some examples of timelines. Answer the questions in groups.

1. Who is the first timeline about?
2. When was this person born?
3. What types of events are mentioned in the second timeline?
4. Why does the second timeline end on 7th January?

Let's do it!

Step 1 Go online and search for a timeline creator.

Step 2 Think of a person or subject to create your timeline about. Here are some ideas:

- a biography of a famous person
- a list of the important events that have happened in your life
- a list of events during your last holiday

Step 3 Think of a title for your project and add interesting pictures, audios or even videos to make it more attractive.

Step 4 Put your information into your timeline and organize the visual elements you chose before.

Step 5 Share the link to your timeline with your teacher and classmates.
