

MANAGEMENT - Doing an MBA

1. Discuss in pairs or groups:

Is it a good idea to do an MBA?

Advantages:

- higher salary
- access to top management posts

Disadvantages:

- very expensive
- many successful entrepreneurs don't have one!

2. In your pair or group, add to the list above.

3. Follow up with the discussion:

What qualifications are the most valued in your field or area of work?

Does it make a difference which school or university you get these qualifications from?

What are the top most reputable educational institutions that offer these qualifications?
