

Pre-Intermediate – Be Friendly to New Students

<p>A. There is a new student in your class. She is from another country, and she is very quiet. She hasn't got any friends.</p> <p>Think of ways to be friendly to her and help her make friends.</p>	<p>B. You are at a new school in a new town. You haven't got any friends. You are quiet, and it is sometimes hard for you to make new friends.</p> <p>Think of ways to be friendly and make friends.</p>	<p>C. You and your best friend go to different schools. You want some new friends at your school. It's easy for you to make new friends. You like to talk to people.</p> <p>Think of ways to be friendly and make friends.</p>

Reflection Point

It isn't important to have lots of friends, but meeting new people can be difficult for some people. Helping new classmates adapt to a new environment can be a great way to be friendly to others.
