

Using Transitions

Before you watch

Discuss one of the topics with a partner. How would you introduce the talk? How would you introduce each new topic within the talk?

- Three ways to heat your home
- Three ways to get to school or work
- Three ways to have fun on a day off
- Three ways to sell a product

Video

Watch the video. Match the sentence beginnings (1-4) to the endings (a-d).

- 1. Transitions...
- 2. Introductory transitions...
- 3. New topic transitions...
- 4. Summary transitions...
- a. ...move the audience's attention from one point to the next.
- b. ...are used at the end of a presentation to remind listeners what they heard.
- c. ... are phrases that let audience know what a speaker will discuss next.
- d. ...introduce what the speaker is going to talk about.

Discuss in pairs or groups. Read the outline of a talk. Add Introductory, New Topic, and Summary transitions.

Ways to add exercise to your daily life

Add exercise to your daily life – why it's important
oductory transition:
New topic transition: While doing errands
A. Park farther away from the stores and walk more
B. Take the stairs, not the elevator
New topic transition: While doing housework
A. Bend, lift, and stretch as you clean
B. Gardening is exercise too!
New topic transition: While having fun
A. Take a walk
B. Put on music and dance around the house

Digital communicative task

II. Summary transition: Conclusion __

Prepare a short informational talk.

- Use the topic in Language Focus A or select your own topic.
- Do some research on the topic, if needed, to determine the content you want to include.
- Write an outline for the talk or use the outline in Language Focus A.
- Write an introductory transition to introduce your topic.
- Write new topic transitions for each of your points.
- Write a summary transition at the end of the talk.
- Rehearse your talk with a classmate or small group.

В

Give your talk and ask your audience for feedback on how well you organized your speech. Record your talk and watch the video. Reflect on the progress you made from your rehearsal to your talk.
